

'Nicta' Suspension Lamp

DESIGNER

Afra & Tobia Scarpa

MANUFACTURER

Flos

Impressive polished brass suspension lamp that provides direct downlighting through a cast concave lens. Patterned perforations around the body diffuse light and interact with the Nicta's generous curves to create a beautiful interplay of light and reflection, giving the lamp a particularly sculptural quality. Along with the 'Fior di Loto' and 'Nigritella' lamps formed part of Flos' inaugural collection in 1962.
