

'Paracarro' Lamp

DESIGNER
Sergio Asti

MANUFACTURER
Bilumen

The rare 'Paracarro' lamp designed by Sergio Asti for Bilumen in 1972 features a large milk glass shade that sits in a substantial chrome-plated brass base. The large lamp has no seam lines on its glass surface, giving it a smooth, highly sculptural appearance. The name 'Paracarro' references the vertical curbstones found on the corners of narrow Italian streets.
