Up & Up

Pair of Nero Portoro marble 'Eccentrico' vases by Egidio di Rosa and Pier Alessandro Giusti. Designed for Up & Up in 1972, each vase is comprised of two polished and etched marble halves fused together. The cut in the upper portion allows each vase to self-position upright on its rounded base. The deep black Nero Portoro marble has white, salmon, and gold veining that creates stunning patterns across the surface of each vase. A beautifully matched pair that highlights the stone craftsmanship for which Up & Up was renowned.
