

## Mirrored Abstract Dish

DESIGNER  
Fontana Arte

MANUFACTURER  
Fontana Arte

A curved, cut, and polished blue-green glass dish with a silver-mirrored bottom. Produced by Fontana Arte in the late 1950s, the abstract form of the dish is paired with a slightly concave surface and mirrored base for a constantly changing surface. Expertly crafted by the storied glass firm, its edges are beveled and the sides and top have been polished to emphasize the optics of the highest quality crystal glass. Original felt bottom affixed to underside.
