DESIGNER
Gianfranco Frattini

MANUFACTURER
Cassina

Set of six "Mod. 105" rosewood chairs by Gianfranco Frattini for Cassina. The the vertical front and angled rear legs lead to a curved back support that highlights the beauty of the rosewood. Small details such as the three connecting dowels at each corner of the gently scalloped sides and backs emphasize the artisanal construction for which Cassina is famous. The large and comfortable seat cushions are upholstered in an burgundy brown long hair cowhide. Restored to a semi-gloss finish.
