

'Poggia Libro' Bookends

DESIGNER
Giuliano Bettinzolli

MANUFACTURER
Up & Up

Set of 'Poggia Libro' bookends designed by Giuliano Bettinzolli for Up & Up in 1972. Expertly sculpted from two solid pieces of travertino nazionale, each bookend has been finely etched with ridges emphasizing the beauty of the stone's natural texture and coloration. Each bookend weighs approximately 1.65 pounds or .75 kilograms which should allow for a range of book sizes to be supported.
