

## 'Break' Carafe

DESIGNER  
Sergio Asti

MANUFACTURER  
VeArt

A rare and stunning multicolored carafe designed by Sergio Asti for Murano glassworks VeArt in 1975. The intensely-colored 'Break' carafe shifts from greens and blues at its base to orange at its top. The smooth rounded exterior is contrasted by the subtly textured grip and base, providing a more secure hold and pleasurable feel to the touch. A beautiful work that demonstrates Asti's mastery with design objects and the VeArt artisans' skill in glasswork.
